"New construction for amazing homes"

This beautiful design is located at Winburn Ave, Bridgewater, Nova Scotia.

This house is one level living on ICF slab foundations with 3 bedrooms, 2 full bathrooms, 1.5 garage, a concrete front covered patio and a separate Laundry room for convenience.

Located in Northwood Estates, just off North Street, this subdivision offers a healthy mix of home sites & styles. These quality-built homes live on a tree-lined cul-de-sac, providing a safe and private place to live, work & play. This community is close to all the amenities your loved ones could need - parks, transit, shopping, medical care, and schools - with easy access to the 103 and downtown. Winburn Avenue is within walking distance to the hospital, the bustling North Street, and most of Bridgewater's downtown amenities.

This design was built with thoughtful touches to accommodate everyone; senior living, retirees, or young families. Going through the front entrance, you will love the living room, with plenty of natural light beaming through a large window and beautiful flooring. The open-concept modern kitchen is made complete with stainless steel appliances and an island perfect for entertaining. Very beautiful modern kitchen with high-end quartz countertops

On the right side of the house, you will find a beautiful Master bedroom (13' x 15') with a spacious walk-in closet, ensuite bathroom with a heated floor and 2 large windows.

On the left, you'll find 2 bedrooms with another heated floor bathroom. Each of these rooms are 10' x 12'.

The house is built with In-floor Heating across the house and a heat pump (providing air conditioning and heat), Light fixtures chosen are of modern design.

Charming landscaping surrounds the house with a private fenced backyard and paved driveway - plenty of space for life and play.

This home comes with a 1-year warranty for deficiency as well as a 10-year major structural defect warranty through Atlantic Home Warranty.
